

Terms of Service

Last updated: June 2026

Welcome, and thank you for using this Forum. These Terms of Service (these "Terms") govern your access to and use of this community forum, including all of the pages, features, tools, content, and functionality that we make available as part of it (together, the "Forum" or the "Services"). The Forum is operated by its creators and staff ("we", "us", or "our") as an experience on the Roblox platform.

These Terms are a binding agreement between you and us. By accessing or using the Forum, you confirm that you have read, understood, and agree to be bound by these Terms and by each of the other documents in our Legal Center that apply to you, including the Community Rules, the Privacy Policy, the Content and Copyright policy, the Safety and Reporting policy, the Moderation and Appeals policy, the Information and Legal Requests policy, and the External Storage Policy. If you do not agree to these Terms, you must not access or use the Forum.

IMPORTANT: The Forum runs on the Roblox platform, and these Terms apply **in addition to**, and not instead of, the Roblox Terms of Use, the Roblox Community Standards, and the Roblox Privacy and Cookie Policy (together, the "Roblox Terms"). You must comply with the Roblox Terms at all times. If anything in these Terms conflicts with the Roblox Terms, the Roblox Terms control. You can read the Roblox Terms of Use at <https://www.roblox.com/info/terms>.

1. Definitions and interpretation

1.1 In these Terms: "Content" means any information, text, links, images, audio, video, code, or other material that appears on or is submitted to the Forum; "Your Content" means Content that you create, post, upload, or submit to the Forum or through your account; "Roblox" means Roblox Corporation, the operator of the Roblox platform; and "Roblox account" means the Roblox account you use to access the Forum.

1.2 In these Terms, the words "include", "includes", and "including" are to be read as if followed by the words "without limitation". The words "for example" and "such as" introduce examples that do not limit the meaning of the words they relate to. The word "or" is inclusive and means "and/or". Section headings are for

convenience only and do not affect interpretation. No rule of construction will be applied against a party on the basis that the party drafted these Terms.

2. Eligibility

2.1 The Forum is intended for users who are 13 years of age or older. You may not access or use the Forum if you are under 13.

2.2 By accessing or using the Forum, you represent and warrant that:

- You are at least 13 years old and meet any higher minimum age required by the laws of the country where you live;
- You are able to enter into a binding agreement with us, or, if you are old enough to use the Forum but have not reached the age of majority where you live, that your parent or legal guardian has reviewed and accepts these Terms on your behalf;
- You have a Roblox account that is in good standing and that is not suspended, banned, or otherwise restricted by Roblox;
- You are not barred from using the Forum or the Roblox platform under any applicable law; and
- You have not previously been permanently removed or banned from the Forum.

3. Relationship to Roblox

3.1 The Forum is an independent experience operated on the Roblox platform. We are not Roblox, and Roblox is not a party to these Terms and is not responsible for the Forum.

3.2 Your access to and use of the Roblox platform itself is governed by the Roblox Terms, which form a separate agreement between you and Roblox. These Terms govern only your use of this Forum and the additional features we provide on top of Roblox.

3.3 Roblox may independently moderate, suspend, restrict, or terminate your access to the Roblox platform or to the Forum in accordance with the Roblox Terms. Any such action by Roblox is outside our control, and we are not responsible for it.

3.4 Some features or items in the Forum may be available for optional purchase. Any purchase is made and processed through Roblox, using Robux or another method that Roblox supports, and is subject to the Roblox Terms, including Roblox's purchase, refund, and subscription policies. We do not receive or store your payment details. If something you bought does not work as it should, you can contact us through the Forum's in-game support system, but refunds for Roblox purchases are handled by Roblox.

4. Your account and security

4.1 You access the Forum using your Roblox account. We identify you within the Forum using your Roblox account information, including your Roblox user ID, username, and display name.

4.2 You are responsible for all activity that occurs under your account on the Forum. You must keep your Roblox account secure and follow Roblox's guidance on account security, including its recommendations on strong passwords and two-step verification.

4.3 You must not share, sell, or transfer your access to the Forum, you must not allow anyone else to use it, and you must not use another person's account.

4.4 You must notify us through the Forum's in-game support system if you believe your account has been accessed or used without your permission in connection with the Forum.

5. Your licence to use the Forum

5.1 Subject to your ongoing compliance with these Terms, we grant you a personal, limited, non-exclusive, non-transferable, non-sublicensable, and revocable permission to access and use the Forum for your own personal, non-commercial entertainment and communication.

5.2 Except to the extent that applicable law does not allow the following restrictions, you must not, without our prior written permission:

- License, sell, rent, lease, transfer, assign, distribute, host, or otherwise commercially exploit the Forum or any Content that is not Your Content;
- Copy, modify, create derivative works from, translate, disassemble, decompile, or reverse engineer any part of the Forum;

- Access or use the Forum in order to build, train, or improve a competing product or service; or
- Access, search, scrape, or collect data from the Forum by automated means, except by means we expressly permit.

5.3 We reserve all rights in the Forum that are not expressly granted to you by these Terms.

6. Availability and changes to the Forum

6.1 We are continually developing the Forum. We may add, change, suspend, limit, or remove features or functionality, and we may stop offering the Forum in whole or in part, at any time. We will try to give notice of significant changes where reasonable, but we are not always able to do so.

6.2 We do not guarantee that the Forum will be available, uninterrupted, or error-free. To the extent permitted by law, we are not liable to you or to any third party for any change to, suspension of, or discontinuation of the Forum. Nothing in this Section affects any rights you may have under applicable law that cannot be excluded.

7. Your Content

7.1 You are solely responsible for Your Content and for the consequences of posting it. We do not endorse Your Content, and we do not represent or warrant that Your Content is accurate, complete, reliable, or lawful.

7.2 You retain any ownership rights that you already hold in Your Content. Posting Your Content on the Forum does not transfer your ownership to us.

7.3 By creating, posting, uploading, or submitting Your Content to the Forum, you grant us a worldwide, non-exclusive, royalty-free licence to host, store, cache, reproduce, display, perform, adapt for technical purposes such as formatting and display, publish, and distribute Your Content, together with the username and display name shown with it, for the purposes of operating, providing, securing, moderating, improving, and promoting the Forum. This licence is sublicensable only to Roblox and to our service providers, and only as needed to host and operate the Forum on the Roblox platform.

7.4 The licence in Section 7.3 ends when Your Content is removed from the Forum, except that (a) we may retain and continue to display copies that you or other users have quoted, shared, or re-posted; and (b) we may retain copies in backups, logs, or moderation records for a limited period as needed for security, safety, dispute resolution, or to comply with law.

7.5 You represent and warrant that you own or have all rights, licences, and permissions necessary to post Your Content and to grant the licence in Section 7.3, and that Your Content does not and will not infringe the rights of any third party or breach these Terms, the Community Rules, or any applicable law.

7.6 We are not obliged to monitor, screen, or review Your Content, but we may do so. We may remove, hide, edit, restrict, or refuse to display any of Your Content at any time, with or without notice, if we reasonably consider that it breaches these Terms, the Community Rules, or the Roblox Terms, or that it may create liability or risk for us, for other users, or for the Forum. How we moderate, and how you can appeal, is explained in the Moderation and Appeals policy.

7.7 Any feedback, ideas, or suggestions that you choose to give us about the Forum are voluntary, and we may use them for any purpose without any obligation or payment to you.

8. Content from others and third-party content

8.1 The Forum lets users post Content. Content posted by other users is the responsibility of those users, not us. We do not control and are not responsible for Content that we did not create, and you may be exposed to Content that you find inaccurate, offensive, or objectionable.

8.2 The Forum may contain links to, or content from, third-party websites, products, or services that we do not control ("Third-Party Content"). We are not responsible for Third-Party Content, and your use of it is at your own risk. You should review the terms and privacy practices of any third party before interacting with it.

9. Things you cannot do

9.1 You must comply with these Terms, the Community Rules, the Roblox Terms, and all applicable laws when using the Forum. The Community Rules are incorporated into and form part of these Terms, and they set out in detail the

content and conduct that are not allowed.

9.2 In addition to anything prohibited by the Community Rules, you must not:

- Use the Forum in any way that could disable, overburden, impair, interfere with, or disrupt the Forum or the servers or networks connected to it;
- Gain or attempt to gain unauthorised access to any account, system, or non-public area of the Forum;
- Introduce or attempt to introduce any virus, malware, or other harmful code to the Forum;
- Use the Forum to break any law or to infringe anyone's intellectual property or other rights;
- Use any bot, automation, scraper, or other automated means to access, interact with, or collect data from the Forum, except as we expressly permit; or
- Attempt to circumvent, disable, or interfere with any security, moderation, or access-control feature of the Forum, including by using additional or alternate accounts to evade a restriction or ban.

9.3 We encourage you to report Content or conduct that you believe breaks these Terms or the Community Rules. The Safety and Reporting policy explains how.

10. Moderation and enforcement

10.1 We may review, remove, hide, edit, or restrict Content, and we may warn, mute, restrict, suspend, or ban accounts, where we reasonably consider it necessary to enforce these Terms, the Community Rules, or the Roblox Terms, or to protect users or the Forum.

10.2 The Moderation and Appeals policy explains how moderation decisions are made and how you can appeal them. Roblox may also take its own action under the Roblox Terms, which is separate from and outside the scope of our moderation.

11. Intellectual property in the Forum

11.1 The Forum and everything in it that we provide, including its name, branding, design, layout, the text we author, graphics, and code (together, the "Forum Materials"), is owned by us or our licensors and is protected by intellectual property and other laws. We reserve all rights in the Forum Materials

that are not expressly granted in these Terms.

11.2 You do not acquire any ownership of the Forum Materials by using the Forum. You must not use the Forum Materials except as expressly permitted by these Terms or the Roblox Terms, and you must not use our name or branding without our prior written permission.

11.3 Our handling of copyright, including how to report content that infringes your intellectual property, is set out in the Content and Copyright policy.

12. Privacy

Our collection and use of information about you is described in the Privacy Policy, which forms part of these Terms. Because the Forum runs on Roblox, your information is also handled by Roblox under the Roblox Privacy and Cookie Policy. By using the Forum, you acknowledge that we will collect and use information as described in the Privacy Policy.

13. Indemnity

To the maximum extent permitted by applicable law, you agree to indemnify and hold harmless us and our staff, moderators, contributors, and service providers from and against any claims, demands, liabilities, damages, losses, and costs (including reasonable legal fees) brought by a third party and arising out of or connected with (a) your use of the Forum; (b) your breach of these Terms, the Community Rules, or the Roblox Terms; (c) your breach of any applicable law; or (d) Your Content. This Section does not apply to the extent the relevant matter is caused by our own breach or concerns liability that cannot be excluded by law.

14. Disclaimers

14.1 Nothing in these Terms excludes or limits any rights you have under applicable law that cannot be excluded or limited, including any statutory rights you have as a consumer. Some jurisdictions do not allow certain disclaimers or limitations, in which case the disclaimers and limitations in these Terms apply only to the extent permitted in your jurisdiction.

14.2 TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE FORUM IS PROVIDED "AS IS" AND "AS AVAILABLE", WITHOUT

WARRANTIES OR CONDITIONS OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. WE DO NOT WARRANT THAT THE FORUM WILL BE ACCURATE, COMPLETE, RELIABLE, CURRENT, SECURE, OR ERROR-FREE, THAT DEFECTS WILL BE CORRECTED, OR THAT THE FORUM OR THE SERVERS THAT MAKE IT AVAILABLE ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. WE DO NOT CONTROL, ENDORSE, OR TAKE RESPONSIBILITY FOR CONTENT POSTED BY USERS OR FOR THE ACTIONS OF ANY USER OR THIRD PARTY. YOUR USE OF THE FORUM IS AT YOUR OWN RISK.

15. Limitation of liability

15.1 TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, WE AND OUR STAFF, MODERATORS, AND SERVICE PROVIDERS WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF DATA, PROFITS, REVENUE, OR GOODWILL, ARISING OUT OF OR RELATING TO THESE TERMS OR YOUR USE OF THE FORUM, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

15.2 The Forum is generally free to use, although some features or items may be available for optional purchase through Roblox. To the fullest extent permitted by applicable law, our total liability for all claims arising out of or relating to these Terms or the Forum is limited to the greater of the amount you have paid us, if any, in the six months before the event giving rise to the claim, or twenty euros (EUR 20).

15.3 Nothing in this Section limits liability that cannot be limited under applicable law, including liability for death or personal injury caused by negligence, for fraud, or for any other liability that applicable law does not allow to be limited. These limitations apply regardless of the legal theory on which a claim is based.

16. Governing law and disputes

16.1 If you have a concern or dispute about the Forum, you agree to first contact us through the Forum's in-game support system and to try in good faith to resolve it with us informally.

16.2 To the extent your use of the Roblox platform is involved, the Roblox Terms govern how related disputes with Roblox are handled. For any matter that relates solely to this Forum and is not governed by the Roblox Terms, these Terms and that matter are governed by the laws applicable where the Forum's operators are established, without regard to conflict-of-law rules. This does not deprive you of the protection of mandatory consumer-protection rules of the country where you live, and it does not remove any right you may have to bring proceedings in your local courts where applicable law gives you that right.

17. Changes to these Terms

17.1 We may update these Terms from time to time. If we make changes, we will post the updated Terms and change the "Last updated" date at the top. If we consider the changes to be significant, we will try to give additional notice through the Forum where reasonable.

17.2 Changes take effect when the updated Terms are posted, unless we state a later effective date. By continuing to access or use the Forum after the changes take effect, you accept the updated Terms. If you do not agree to the updated Terms, you must stop using the Forum.

18. Suspension and termination

18.1 You may stop using the Forum at any time.

18.2 To the fullest extent permitted by applicable law, we may suspend, restrict, or terminate your access to the Forum, your account, or your moderator status, if any, at any time, with or without notice, including where you breach these Terms, the Community Rules, or the Roblox Terms, or where we reasonably consider it necessary to protect users or the Forum.

18.3 The Sections that by their nature should continue after your access ends will survive termination, including Sections 1, 7, 9, 11, 13, 14, 15, 16, 18, and 19.

19. General

19.1 These Terms, together with the other documents in the Legal Center that apply to you, are the entire agreement between you and us regarding the Forum, and they replace any earlier agreement on that subject.

19.2 If any part of these Terms is found to be invalid or unenforceable, that part will be limited or removed to the minimum extent necessary, and the rest of these Terms will remain in effect.

19.3 Our failure to enforce any provision of these Terms is not a waiver of our right to do so later.

19.4 You may not assign or transfer your rights or obligations under these Terms without our prior written consent. We may assign or transfer ours, including to a person who takes over the operation of the Forum.

19.5 We will give you notices through the Forum or the Roblox platform. You can contact us through the Forum's in-game support system.

19.6 These Terms do not create any partnership, agency, employment, or joint-venture relationship between you and us.
